

AACT Academy - Online Offerings

2020 Scholarship Application Full Tuition or Pay What You Can

One of the goals of the AACT Academy is to offer theater experiences to as many different children as we can. We understand that the cost of classes might make it difficult for some kids to attend, especially as this is a difficult financial time for many people right now. For 2020 only, you may apply to use the scholarship for both summer camps. This application is valid for one year and will also fully cover tuition for the fall, winter, and spring classes.

You must still register for the camp at Auburnact.org.
