

AACT Academy Summer Camps
Scholarship Application

One of the goals of the AACT Academy is to offer theater experiences to as many different children as we can. We understand that the cost of classes might make it difficult for some kids to attend. In order to alleviate this, we are offering a limited number of financial scholarships for our summer camps. Even with the scholarship, a \$20 plus processing minimum fee is required for all participants. The questions in this form are designed to help us determine both financial need and desire to attend. All of the information that you provide will be kept strictly confidential. Decisions will be made by the AACT Education Committee. You must still register your child for the camp you want per City of Auburn Parks and Recreation guidelines.
