

Audition Tips for AACT Young Performers

Thank you for your interest in auditioning for a AACT's Young Performers Production! Whether this is your 1st or 101st time to audition, here is some information that you might find helpful.

What to prepare:

Please come prepared with a dramatic monologue that is one minute or less.

There are MANY different websites where you can find monologues, here are some examples of free sites. These are just examples, there are many other sources you can access.

Check your calendar, for all obligations that could conflict with rehearsal or show dates.

Please check **all schedules**, dance, sports, school conflicts etc. when listing your conflicts.

*Please carefully read the **Rehearsal/Show Dates**, and our **Attendance Policy**.

These are all listed in the **"Responsibilities and Obligations Form"** that you must read before signing up for a time slot.

When:

Please arrive at least 10 minutes before your scheduled time.

Everyone has a 3 minute time slot. We will do our best to stay on time, but be prepared to wait.

Where to come:

Jan Dempsey Art Center 222 East Drake Ave. Auburn, AL

Who can Audition:

The audition is open for actors ages 12-18. You must be 12 by auditions and still in High School.

What we are looking for:

*Actors that can show real emotion in their scenes.

* Actors that will "take direction"

*Actors that can project and enunciate

*What you look like, sound like, and how you move when playing a character.

Helpful Information:

“**Call backs**” is a theater term, meaning, we want to take a second look to determine who is best for each role. We DO NOT actually call you back, you will need to check the posted list to find out if and when you need to be there. Not everyone who is called back gets a role.

Not everyone who auditions will be able to be in the play, even if you have been in a play before. Not everyone who is in the play will have lead roles. Everyone who even tries is a hero to us, it is scary to audition, and we are proud of all of you! Don't get discouraged if you don't make it or get the role you want. Even famous actors don't get every role they audition for 😊 Just keep on trying. Get involved in theater however you can. There are no small roles!!

The best thing you can do to prepare is to relax and have fun.
