### Choose one Character to present

**OWL:** I am the Wood's Chief of Geography and Putter-of-Places-on-the-Maps! It is my job to put them all in their Correct Petitions!

**PIGLET:** Help! Hurry, Owl, the heffalumps are coming!

**OWL:** Come now, Piglet, we've gone over this a hundred times. In our neck of the woods there is no such thing as...

**PIGLET:** (*Running off.*) Hellppp!

**ROO:** Heffalumps! Heffalumps!

**OWL:** Tut-tut, Roo, I must take except-shee-nation! While we often experience the odd Woozel during the Winter Months...  
Kanga!

**KANGA:** Oh, good morning, Owl. I can't stop to talk now. I must wash Roo's ears, you see! Roo, come back here with those ears this very instant!

**OWL:** Of course, I entirely understand. And who is this now?

**EEYORE:** (*Sadly.*) It's Eeyore. I'd wish you a good morning if it was a good morning which I doubt.

**OWL:** Really, Eeyore, is anything the matter?

**EEYORE:** I shouldn't complain. But the authors started in the wrong place.
